SERVICE

Renowned for dependability, our customer service is second to none, having made ourselves probably the most 'easy to deal with' company in the UK food service sector.

CHOICE

There's none better.
Please see above.

QUALITY

Try getting a better quality product for anything near our prices - you'll have your work cut out.

FLEXIBILITY

Don't see what you want or need assistance with NPD?
We'll help - try us.

Serving the foodservice sector – even better

Pizza Plus Foodservice carry the widest, most comprehensive range of pizza and pizza related products available in the UK

All our products have been manufactured and selected to provide you with pizza products of the finest quality, taste and variety, to keep you - our customers, up-to-date with the current pizza trends.

INNOVATION

We spend a substantial amount of time sourcing or developing new pizza products, listening to our customers needs and staying abreast of new 'pizza trends'.

We try to get it right all the time but - if you think that we can do better - talk to us.

CUSTOMER SUPPORT

Need to promote your pizza range?

Just ask for a pizza demonstration/presentation from our staff.

Whether you are a distributor or an end-user we'll be happy to visit you.

DISTRIBUTION

Currently serving the whole of the UK, Ireland, The Channel Islands and an occasional jaunt in to mainland Europe via our comprehensive network of foodservice distributors.

Direct delivery to end-users is also possible.

Round & Oval Pizza Crusts

White Flour/Frozen/I.Q.F.

WE CAN PROUDLY SAY THAT

Our pizza crusts are **individually pan baked** and we are the only company in the UK to be able to say that!

Frozen/I.Q.F.

SCOTTISH PIZZA

They said that these would not make it south of the border!

Surprisingly delicious when dipped in your own batter and deep fried!

It's new, it's delicious,
it's cute, it's...

Pizza Ted

Are you looking for something tasty and interesting to put on your children's menu?

Pizza Ted is a cheese & tomato pizza, aimed specifically at your children's menus, with real meal appeal.

Children already love pizza so let's make it special for them.

Pizza Ted individual pizzas are made using 25% wholemeal flour for a healthier option, our own cheese blend and a tasty tomato sauce.

For packaging details, please go to page 13.

Step 1.

Fully defrost your Pizza Ted and place him on a baking tray

Step 2.

Add some eyes,
nose and eyebrows,
go on be creative!

Step 3.

Finally a mouth...
Smile, frown, surprised,
happy or frightened!
Pop it in the oven.

Step 4.

After about 10
minutes enjoy making
him disappear...
until the next time!

Topped Thin

It's School Meals Pizza Time

Having spent many years both working with and serving the education sector of the industry, we know what school children want and need nutritionally.

The products listed on page 18 are amongst those that have been specifically designed to be 'school friendly', healthy, tasty and popular with school children.

If you don't see the product that you really want - talk to us.
If we don't stock it, we may make it - just for you.

We have a very comprehensive range of pizza cheeses and pizza toppings, both Premium and Halal available.

FEATURES

TOPPING RAILS

Ideal for storage of pizza toppings, salads and sandwich fillings, the VRX Topping Rail range offers a convenient and space saving solution when workspace is short.

These topping rails come in either a stainless steel lid or glass display cover.

The body of each rail is made from stainless steel and boasts a digital temperature control panel.
